

“Prince kunststof infra aims to be its customer’s most reliable partner.”

“Working hard every day is in our DNA. We want to prove that we are worth the trust. The fact that we are a medium-sized company, able to respond to changing demands quickly, only contributes to this.”

Kathleen Metz, Managing Director of Prince Kunststof Infra

**HDPE joints with extras**  
Your way to easily manageable pipe systems

## Prince Kunststof Infra Over 30 years of joint effort

Are you in search of a partner who thinks along with you and acts swiftly in case of emergencies? Do you want guaranteed problem-free solutions for every single issue in the ground? Prince kunststof infra delivers the right joints and seals - fast and tailored to your situation. We deliver from stock and we provide tailor-made fittings.

Prince kunststof infra works with KZ to develop innovative products that facilitate your work permanently. An example of this is Lock Joint, a smart solution which eliminates the need for auxiliary and emergency pipelines and reduces project costs up to 30%. At the same time nuisance to the surrounding area is minimised. Please check [www.prince.nl](http://www.prince.nl) for more information.

“an innovative company with high quality and speedy delivery”

**Innovative**  
Communication lines between our employees, partners and customers are short which ensures constant knowledge sharing. This results in unique custom-made service and innovative products such as connecting joints specifically developed for AC and Bonna pipes.

**Happy customers**  
“Prince kunststof infra can do the impossible - very fast.” (Vitens).  
“No other special organisation can deliver this kind of innovation, speed and quality.” (Delta Netwerkgroep).  
“Say what we do and do what we say. This way we hope to keep the customer satisfaction score a 9,8.”

**A broad view**  
We really like people and organisations who charitably work on creating a better world. For this reason we work with Sjaloom Zorg. Please visit our website to learn more.
